

NO WAKE ZONE

The Port Alberni Port Authority would like to inform the public that a “**NO WAKE ZONE**” will be established off the Clutesi Haven marina facility, between buoys Y59 and Y61. The establishment of this NO WAKE ZONE is being implemented in order to ensure the safety of those operating vessels/boats in that area.

All operators of vessels/boats are reminded of their obligation to comply with the **CANADIAN COLLISION REGULATIONS** with regard to **Safe Speed (every vessel passing another vessel shall proceed with caution at a speed that will not adversely affect the vessel being passed)** and **Narrow Channels (a vessel engaged in fishing shall not impede the passage of any other vessel navigating within a narrow channel or fairway)**.

The NO WAKE ZONE will come in to effect 00:01am May 15th, 2014.
