## NOTICE

### Port Alberni Port Authority Announces Marina Coordinators Changing Facilities

**November 1, 2019**

Port Alberni – The Port Alberni Port Authority (PAPA) is pleased to announce the transition of Marina Coordinators among the marina facilities, effective November 12, 2019.

These changes are in recognition that each of the Marina Coordinators has strengths that are valuable assets to all of our facilities. By sharing their experience and knowledge among the marinas the Port will ultimately offer a better guest experience to our visitors and patrons. In addition, this is an opportunity to expand each of the coordinators' personal skill sets so they are able to continue to be successful in their careers.

The transition of coordinators among the facilities will be as follows:

- Nick Bordeleau of Clutesi Haven Marina to China Creek Campground & Marina;
- Jen Bortolotto of China Creek Campground & Marina to Fishermen's Harbour and;
- Angie Taylor of Fishermen's Harbour to Clutesi Haven Marina

We also recognize the contributions Brenda Caldwell, our full time Marina Attendant, has made as she continues to support the Marina Coordinators at all of these facilities.

Please join me in thanking our Marina Coordinators for their contributions and successes in their current marinas. In addition, please join us in welcoming Nick, Jen and Angie to their new facilities as they bring along their experience as they accept exciting new challenges that ultimately reflect our vision to be a thriving and diversified port.
