FOR IMMEDIATE RELEASE: June 9, 2020

**CHINA CREEK CAMPGROUND WELCOMES MORE GUESTS
EFFECTIVE JUNE 18, 2020**

In response to evolving COVID-19 Safety Guidelines China Creek Campground and Marina is now accepting all-sites guest reservations for overnight camping starting June 18, 2020.

In accordance with the regulations and guidance of Public Health Officers China Creek Campground opened to guests with fully self-contained recreational vehicle camping units on June 1, 2020. Since then, we received further guidance and provided our staff additional training to keep themselves and our guests safe. The guidelines, training and feedback enables us to welcome all overnight and day use guests to China Creek Campground and Marina.

We understand that many people are as excited to enjoy visiting China Creek Campground and Marina as there are people who are anxious due to COVID-19. Therefore, we have implemented a number of significantly enhanced personal safety and hygiene measures ranging from limited access to amenities; stringent and frequent cleaning regimen; and physical distancing among guests and staff. Best practices will be posted online, on site and provided to all staff and guests.

In order to maintain the safe enjoyment of China Creek Campground and Marina for all guests we ask that all guests adhere to the site guidelines with particular observance of the following:

- Stay home if you have cough, fever or other symptoms of illness or have been in contact with someone who has tested positive for COVID-19 within last 14 days
- Respect Physical Distancing when interacting with other staff and guests by maintaining 2 metres / 6 feet apart from each other
- Gatherings of no more than 8 people

We will continue to follow guidelines issued by Public Health Officers and ask our visitors do the same also. Only by all of us doing our part to follow such guidelines will we be able maintain this and, hopefully, expand the opening of China Creek Campground & Marina soon.
